## Old Business:

- Constitution-By-Laws/FSS Annual reports: In review with Base/JAG and getting it all finalized.
- Flu Flu machine- We will be picking it up on 3/25. The flu flu machine was purchased by the Club and Scheels.
- Porta Potties were cleaned, and we are looking at a schedule moving forward.
- Level 2 Training/Lessons: Mike, Scott, Anna, Kyle, Chad, and Zach have completed level 2 training to be able to start teaching lessons.
- Work parties- We talked about looking for someone to coordinate work parties for the range going forward. There is a lot of work to do on the range and will be more with the nicer weather approaching. Put out a notice on the newsletter for anyone interested in being the work party coordinator.
- MOA Groups and range usage- we talked over setting up a policy and possible list of criteria for each group. For now, it is still on a case-by-case basis. We have had some groups coming up last month and they were successful. Thank you to all that helped with the groups that came out.

## Vice President:

- Apparel: T-shirts/Hats/Mugs/Stickers – Working on getting the link on the website so people can order apparel directly from the site themselves. Set everything up through printfil we just need to get an online store setup and linked together.
- Also talked about more stickers being made, waterproof one as well as vinyl.

## Facility Coordinator:

- Scotty – The Polaris UTV and Kubota have been through maintenance and are back on the range.
- Looking at sanding the handrail and tree stand perch, getting the blueprint and quote for static overhang. We are also looking at other bids to compare.
