Updates

*Archery Automatic Disc Thrower- Set to be picked up soon

*Level Two Instructor Training- Some of the board members are set to complete level two instructor training the end of march. After completions lessons will be offered.

*Updates on the website are still ongoing, board meeting minutes will now being coming out the week

after the meeting and a newsletter will be sent out at the start of each month.

*Future update- Process has been started for the overhang for the static range

Reminders

*All members are required to have proof of their membership card or the day pass on them at all times. With the range continuing to grow there are more new faces which means we will be doing more random checks for membership cards and day passes. When you are asked please be prepared to show proof.

*There has been a rise of broadhead damage on the target butts, broadheads are to **ONLY** be used on the **BROADHEAD RANGE!**

*There has also been some issues with individuals not shooting within the shooting lanes. The shooting lanes are there to keep everyone safe and you are expected to use them.
