Thank you!

Thank you to everyone who came to the First leg of the Academy Archery Club Triple Crown, in spite of the cold, snowy weather. It was a great turnout. For those of you who were not able to make it, that is okay. You are all still eligible for the bow drawings. The Mathews Phase 4 33, with complete setup. Donated by Bill Pellegrino's Archery Hut, and the PSE Levitate Bow donated by Archery School of the Rockies. You just need to enter the second leg and the third leg to complete your eligibility. Registration is open for the second leg to be held on May 20. The third leg is scheduled for June 24. Remember lunch is included in your entry fee. I am looking forward to seeing each one of you.

Regards,

Anna Holland

Reminders

*All members are required to have proof of their membership card or the day pass on them at all times. With the range continuing to grow there are more new faces which means we will be doing more random checks for membership cards and day passes. When you are asked please be prepared to show proof.

*There has been a rise of broadhead damage on the target butts, broadheads are to ONLY be used on the **BROADHEAD RANGE!**

*There has also been some issues with individuals not shooting within the shooting lanes. The shooting lanes are there to keep everyone safe and you are expected to use them.
